

Certificate

Bio-sourced product label

N° BE/24/10/21/80-BE

In accordance with the general rules and certification standards of the Bio-sourced Product Label,
the company:

Company name: **TAKE OUT SRL**

Registered office: Les Moussières 80, 6840 Neufchâteau, Belgium

is authorised to affix the logo of the 'Bio-sourced Product' brand on the product, packaging and any document directly relating to the product designated under the commercial name:

LENOO

(loose-fill insulation made from wood fibre)

and manufactured by the factories of:

Take Out SRL, Les Moussières 80, 6840 Neufchâteau, Belgium

with the distinguishing features certified below:

80%

This certificate confirms that this product has been subject to an audit on the production site in accordance with the material balance method, as described in EN 16785-2:2018 'Bio-based products — Bio-based content — Part 2: Determination of the bio-based content using the material balance method', or the method for determining bio-based content by radiocarbon analysis, as described in EN 16785-1:2016 'Bio-based products — Bio-based content — Part 1: Determination of the bio-based content using the radiocarbon analysis and elemental analysis'.

This certificate was issued on 21 October 2024 and, unless a decision is made subsequent to this certification, due, in particular, to a modification of the product, is valid until 21 October 2027.
